Welcome Back to School

Can you believe it, it seems like it was only yesterday that everyone was wishing each other good-bye for the summer holidays? We barely had time to turn around and here we all are back at our post to start a new school year. We hope your return to your former workplace or to your new workplace was pleasant. We would like to take this opportunity to welcome each and every one of you back to work and to wish you all a great 2017-2018 school year. Like always, you can reach us at the APPA office:

Debbie Crawley, Interim 1st Vice-President
514 254-3503, extension 204

Paul Robichaud, Interim Vice-President
514 254-3503 extension 205

APPA Website

I have been made aware, in my short tenure at the APPA office, that many of our members are unaware that the APPA has an internet website. By entering the following internet address <http://www.appa.qc.ca> into your computer, smartphone and/or tablet, you will be linked to our web homepage.

On the bottom of the page you will see the EMSB icon. Just by simply clicking on this icon, you will be redirected to the APPA-EMSB website. Once you are at our specific home web page, scroll down to the bottom and you will find a subscription form that you can fill out (full name and email address) in order to receive updates of APPA events that will be planned throughout the school year. In

addition this website gives you direct access to important documentation (collective agreement, insurance plan, professional development forms, etc.), to former editions of our union newsletter and to important information for our new and old members (security of employment, priority of employment list, special leaves, preventative and maternity leave, procedure concerning work accidents and employee assistance program). So don't forget to take a minute today to visit and subscribe to our web page, so you can be in the know. Remember knowledge is power!

APPA Delegate Elections

It's a new school year and with the new year, comes the APPA Delegate elections. Each year, each workplace has to elect a union delegate. This person, will be the link between the union and the members in the workplace. If each workplace has a delegate, the union can better inform its members. For complete information on the Delegate elections, check our website at www.appa.qc.ca and click on the "Our Delegates" tab on the right side of the main page.

The 2017 Election General Assembly will be held on Thursday, October 5th, 2017 at 7 p.m. At the time of printing, we could not confirm the venue in which the General Assembly will be held. We will provide this information as soon as possible through our website and email news.

As it was adopted at the May 9th, 2012 APPA General Assembly, the union no longer sends the election documents to individual members at home. Since 2013, all documents pertaining to the General Assembly in which elections will be held are to be made available on the APPA website.

All documents will be available on the APPA website in the week of September 5th. Look for the “Elections” banner at the top of the website.

Please note that the deadline for submitting your candidacy for any of the posts is Friday, September 22nd at noon. Any candidacy form received after this deadline will be automatically voided.
